

Colorado 9Health Fairs POSTPONED

March 9, 2020

Due to the COVID19 (CoronaVirus) outbreak, 9Health Fairs have decided to POSTPONE all Spring 2020 fairs.

Therefore, health fair *training* scheduled for Wednesday, March 11 and Saturday March 14, 2020 will also be postponed until Fall 2020.

We applaud 9Health Fairs for making this decision in the interest of the health of our community and our volunteers.

Please watch your email and check our website later this year for FALL 2020 9Health Fair training and volunteer opportunities.

This postponement does mean that one of our most powerful venues for raising awareness will not be available until the Fall of 2020.

But you can still make a big difference by signing up to be an **Awareness Ambassador**.

We will soon be sharing ideas for *virtually* spreading the awareness message.
